

Ask taxi to take you to the Boart Longyear Facility, 26 Butler Boulevard, Burbridge Business Park, Adelaide Airport (it's not on all GPSs or street directories yet so printing this map may be helpful).

Taxi drivers may not like the short trip from the airport terminal, but the dispatcher will let them back to the front of the queue after dropping you off as they haven't left the airport grounds.
You may wish to mention this to your taxi driver.

It's about a 2 km (30 min) exposed walk from the airport terminal via the internal airport roads (James Schofield Drive and Sir Hubert Wilkins Road) , so only recommended if you have time, few bags and weather fine.
